

CC&R Citizen Advisory Committee Application for Volunteers

Each village may have three (3) representatives on the CC&R Citizen Advisory Committee (CAC). Members are appointed to two-year terms in alternating years. Terms can be automatically renewed if there are no new volunteers to take the place of existing volunteers. The purpose of the CC&R CAC is to promote and encourage voluntary compliance with the CC&Rs within the committee member's own neighborhood. This is accomplished by assisting CSD staff with the enforcement process, acting as a member of the hearing body for difficult enforcement cases and making recommendations to the Board of Directors for unresolved violations.

The qualifications of a volunteer consist of owning property and residing in the subdivision you would be representing, be willing and able to attend monthly CAC meetings, have positive communication skills, have knowledge of or be willing to become familiar with and understand the CC&Rs for the village being represented, your property must be in compliance and have the ability to follow established procedures and policies in attempting to gain voluntary compliance from residents in the neighborhood.

The process for appointment to the CC&R CAC is to complete the application and return to the EDHCS, 1021 Harvard Way, El Dorado Hills, CA 95762 or fax to 916-933-6359 or email to jmcgrath@edhcsd.org. Eligible applications are reviewed by the CC&R CAC for selection. If selected, a recommendation is made to the Board of Directors for appointment at the next regularly scheduled CSD board meeting.
