Re: HD Programming Addition

Dear Ms. Hillyer,

Effective on or after April 2, 2009, Comcast will add the following programming to its High Definition lineup:

<u>Programming</u>	<u>Current Channel/Tier</u>	<u>New Channel/Tier</u>
CSN (Comcast Sports Network)	N/A	921/Digital Starter

CSN will feature regional sports programming and King's home games previously shown on channel 925 in High Definition.

Customers who subscribe to the Digital Starter package and have an HD Converter will begin to receive this programming with no additional cost. A message on the Digital Control Terminal will notify customers of this change.

If you have any questions regarding this addition to our service, please contact your local Government Affairs Director, Marian Jackson at (916) 830-6796.

Respectfully,

Pat Rice  
Compliance Manager
